PREACHING HEBREW POETRY & WISDOM

HEBREW POETRY & WISDOM

PRACTICAL INSTRUCTION. MODEL EXPOSITION. SMALL-GROUP PRACTICE.

MAY 5-7, 2010

WHEATON, ILLINOIS

The extraordinary beauty of poetry can be hard to grasp and even harder to preach. And yet, nearly every book of the Old Testament includes Hebrew poetry, especially the wisdom books. This **Workshop on Biblical Exposition** is designed to give you the **tools to preach** from these genres and to discover the connections between the poetic word and the Living Word, between Solomon's wisdom and Jesus as Divine Wisdom.
